Your Child's Year in Photos

The photos that teachers take of your children during their days at school provide a window on the many ways these young children are learning about themselves, their classmates and their world. The pictures help children and teachers reflect on their experiences and are an important part of our learning process.

The pictures also give parents an opportunity to see their children at work. A selection of photographs from this year are available for purchase as a keepsake from this special time in your child's life. For South Side through Kindergarten students, the CD will include the pictures from fall and spring conferences. Toddler families will receive a selection of pictures from throughout the year. The cost of the CD is \$20.

To order, please complete the lower section of this page and return it, with a check made payable to *The Overfield School*, to Stephany in the office or to any Office Communications basket. Please make out a separate check for the CD and do not add it to your tuition or any other payment due, as we process these differently. **The deadline for ordering is Thursday, May 7th**, which will allow us time to distribute CDs during the last week of school. If you have any questions, please contact Stephany at 339-5111 or office@overfield.org.
